

### How long have you worked at Pacific Life Re?

I've worked here for 2.5 years now.

### Which office and team are you in?

I'm in the Sydney office and have recently moved from Pricing to the Client Strategy and Solutions team.

### What is your favourite thing about working at Pacific Life Re?

The company encourages its employees to speak up and share their ideas.

### What has been the biggest achievement in your career so far?

Winning CBUS (a large group insurance scheme) was a massive achievement for the business. It really stamped our presence in the Australia market!

### Are you a member of any industry or market committees or bodies? If so, which ones?

I am currently pursuing my accreditation to become a Fellow of the Institute of Actuaries of Australia.

### Have you worked in any of the other Pacific Life Re offices?

I've only worked in the Sydney office; however, I would like to transfer offices in the near future.

### What has been your favourite work social event since joining the company?

The annual winter party (recently moved to summer in Sydney) is definitely a highlight! It's great to see everyone outside the office environment and enjoying the festivities! This year, we're spending the night in Byron Bay.

### Describe the company in 3 words.

Driven. Transparent. Technical.

### 3 essential items to bring to a deserted island

A knife, some music and other company (so I don't go insane!).

**“It’s great that Pacific Life Re encourages its employees to work abroad!”**
