Pacific Life Re Announces Key Promotions

London (10th February 2017) – Pacific Life Re is pleased to announce the promotion of James Tait to Head of Protection, Europe, and Andy McAleese to Head of Longevity, Europe.

James has over 15 years' experience in the UK and Ireland protection market and joined Pacific Life Re in 2011. He is an active member in the life insurance industry and is the Chair of the CMI Assurances Committee and Deputy Chair of the CMI.

Andy has over 20 years' experience in the UK insurance and reinsurance industry and has been instrumental in growing our Longevity business since he joined Pacific Life Re in 2005.

Andrew Murphy has also moved from his Head of Longevity Pricing role to the new Head of Longevity Inforce and Origination role. Andy commented, "Andrew has played a critical role in building our highly successful Longevity business and we are looking forward to him continuing this work in his expanded role within the Longevity team."

These promotions follow on from the recent appointment of Hamish Wilson (Head of R&D, Europe) and Phill Beach (Head of Pricing, Europe), who also form part of the Europe Management Team. Darren Spriggs, Managing Director, Europe commented, "These changes position us for further growth and development. Our European management team is stronger than ever before and I look forward to what lies ahead in 2017."

About Pacific Life Re

Pacific Life Re works with clients in Europe, Asia, Australia, and North America to manage their mortality, longevity, and morbidity risk. Pacific Life Re Limited is a wholly-owned subsidiary of Pacific LifeCorp, and is regulated by the Prudential Regulation Authority and the Financial Conduct Authority.
